

INTERNAL RULES AND REGULATIONS

INTERNAL RULES AND REGULATIONS

Act 8/2012, of 19 July, on Tourism of the Balearic Islands, as currently drafted in Article 16, point a), provides the following:

“For the purposes of this law, and without prejudice to the provisions of other applicable legislation, users of tourist services are obliged to:

a) Respect the internal rules and regulations of tourist establishments and the particular rules of places visited and tourist activities; they must also respect the basic rules of coexistence (. . .)”

In compliance with and development of the aforementioned Act 8/2012 and Decree 20/2015, of 17 April, on general principles and guidelines for coordination in tourism matters; regulation of advisory, coordination and cooperation bodies of the Government of the Balearic Islands; and regulation and classification of tourism companies and establishments, this hotel establishment has drawn up these internal rules and regulations, which set out the rules of obligatory compliance for users during their stay. These people are hereinafter referred to as customers.

This Regulation is available to you, as a customer, at all times in both its Spanish and English versions; it can be consulted on the notice board located in the reception area, as well as on our website. Please note that the facilities and services provided at this Establishment are aimed primarily at an adult audience, defined as individuals aged sixteen and over; therefore, this Establishment does not have facilities or services for persons under this age, including, among others, cribs or extra beds. It is the Hotel's accommodation policy that rooms may only be occupied by the number of people assigned to them according to their type, and therefore cannot be shared by more people than those allowed for the type of room in question. Consequently, the accommodation of two adults and one minor under sixteen years of age could only be arranged in a room of the "Keep The Secret with extra bed" type, a room type of the establishment that is equipped to accommodate up to a maximum of three people on a bed and breakfast buffet basis, with no age restrictions.

In the event that a reservation is requested by our customers for a room to be occupied by one adult accompanied by a minor under sixteen years of age, the reservation will be accepted subject to availability, with the occupancy being considered for two people in any case, and the corresponding rate will be applied to the room type requested by the customer based on double occupancy.
